## Screen LinkedIn profile in English

The image shows a screenshot of a LinkedIn profile for Romain MILLAN. The header features a background image of a desk with a laptop, a cup of coffee, and a notebook. On the left is a circular profile picture of Romain, with a green border containing the text "#OPENTOWORK". To the right of the profile picture is a blue pencil icon. Below the profile picture, the name "Romain MILLAN" is displayed in bold. Underneath the name is the text "Student in 2nd year of Computer Science at the IUT of Montpellier-Sète | Looking for an internship in development". Below this is the location "Villeveyrac, Occitanie, France" followed by a blue link "Coordonnées". Underneath the location is the text "25 relations". Below the relations text are three buttons: "Mes objectifs" (blue), "Ajouter une section au profil" (blue outline), and "Plus" (grey). Below these buttons is a grey box with the text "Open to work" and "Postes de Développeur web, Développeur et Développeur logiciels", followed by a blue link "Voir tous les détails" and a small pencil icon.

To the attention of the  
WebToMed company  
recruiter

Application for the position of web developer  
Dear Sir or Madam,

In Sète, January 2, 2023

Having done a BUT Computer Science (option Application Realization: Design, Development and Validation) at the IUT of Montpellier-Sète, I would like to propose you my application because I wish to join your company in the role of web developer

Indeed, WebToMed is for me the right company for this, having knowledge in SQL, HTML/CSS or in the administration of Database I will be delighted to help you to improve your services.

With a logical and curious mind, I am passionate about computer science and development, I chose to do a BUT Informatique. During the first year we worked on different projects (Scrabble, Les aventurers du rail, programming a website, ...), these allowed me to acquire new skills (Java, HTML, CSS, ...) to be able to work in a team and in autonomy to be able to learn from myself but also from other people. Moreover, having already an experience in web development with my 2nd year internship in the company Spirit in Montpellier during which I could deepen my knowledge in Symfony PHP.

Finally, if you give me the opportunity, I would be delighted to share with you in person the motivation I have to join your team as an intern.

I am at your disposal for an appointment at your convenience, either face-to-face or remote.

I look forward to hearing from you.

MILLAN Romain

## Formal email addressed to Ms Taylor applying for the job

---

Ms Taylor,

I would like to contact you today to introduce myself for your web developer proposal. Indeed, following BUT Informatique, I am looking for a company more mainly Web with PHP and Symfony, I would like to join your structure for this purpose. I have a good command of web development and graphic design because of my schooling, during which I was able to improve my skills and gain responsibilities.

Please find enclosed my cover letter and my CV

I look forward to your reply.

MILLAN Romain

## Preparation of job interview

---

Require:

- Know agile method
- Do create new code and maintain other
- Collaboration in squad
- PHP
- MYSQL
- LAMP
- MVC & OO
- Web programming
